

PktResetInterface

```
graph LR; A[PktResetInterface] --> B[PktInterrupt]; B --> C[PktGetErrorStr];
```

The diagram illustrates a linear sequence of three components. The first component, 'PktResetInterface', is highlighted with a gray background. It is connected by a dark blue arrow to the second component, 'PktInterrupt', which has a white background. This second component is then connected by another dark blue arrow to the third component, 'PktGetErrorStr', also with a white background. All three components are enclosed in black rectangular borders.
